How to set up Handbid on your smart phone:

1. Download the **Handbid App** for iPhone or Android from the App or Play Store.
2. Open up the App and click on "Get Started." Complete the form - enter the mobile number of the device you are using and Handbid will send you a text message containing a 5-digit confirmation code for you to enter in the app.
3. Log in, then search for "Cause" in the list of auctions to find our auction. **Tell Handbid that you intend to BID in the auction.** That will notify us that you have signed up (Don't worry – it won't commit you to placing a bid).
4. Swipe right to left through the screens to get to your Dashboard. From there you can view items and place bids.
